

GV Care

Foundation Support

GV Care Foundation is for those that need the flexibility of a cost-effective support solution with access to qualified technical experts.

With more than 50 years of experience and service excellence, Global Services from Grass Valley is your partner for maximizing system uptime, reducing total cost of ownership and planning your long-term maintenance needs.

GV Care provides access to the worldwide technical and operational support that you need to help keep your products running smoothly so that you can focus on business.

Foundation Support is targeted for those who need the flexibility of a cost-effective support solution with access to qualified technical experts.

Foundation Support includes the following services:

Helpdesk Services

Our international contact center is available 365 days a year, 24 hours a day to log your call and begin the support process. Our contact center ensures that your issues are tracked and handled with the attention you deserve.

24x7 Emergency Telephone Support

Access to Grass Valley's worldwide Technical Support staff 24x7 for any critical issues.

Email and Web Support

Create support cases using our dedicated support email and web access forms. All cases created are monitored and responded to 24x7.

Portal Access

With direct access to the Grass Valley support portal, you will have the ability to raise and track cases as well as get access to any updates from the Technical Support teams.

Knowledge Base

With access to our knowledge base, you will be able to find information and self-help on a wide range of articles written by Technical Support teams and Product Experts. Find the most popular articles to increase productivity and learning for your staff.
