

K2 TX/MAM Server Quick Start Guide

071889200

December 18, 2012

K2 TX/MAM Server

- Licenses
- Dell documentation
- Rack mount Kit
- Front
- If applicable, a dongle

USB-stick contains:

- K2 Doc Set 

Locate the documentation you need on the USB-stick or download from: http://www.grassvalley.com/products/k2_edge

Documentation path to install the K2 TX/MAM Server

Please refer to the Dell documentation for Safety Instructions.

Please refer to the Dell Getting Started manual for instructions on how to place the systems in the rack.

Do not use the Dell Quick Installation Guide provided with the Dell CD-ROM package. This guide includes instructions for using the OpenManage software CD-ROM to install an operating system, which is not necessary on the Grass Valley product.

For more information...

Find the documentation set for the K2 TX/MAM Server on the USB-stick or by downloading from:
