

# JUPITER

## Router Control System

### DOCUMENTATION

Use the bookmarks on the left to access the documentation on this CD-ROM.

These .PDF files contain cross-document search features that may not be supported by older versions of Adobe Reader. If you have trouble using these .PDF files go to [adobe.com](http://adobe.com) and download the latest Adobe Reader.

These files can be copied to your PC. Exactly replicating the entire sub-directory hierarchy on your PC preserves .PDF cross-document search functions.

See the “ReadMe.txt” file for more information.
